

Performance Requirements

We both want the show to be a huge success! Below are what I need to make the magic great for everyone; if you have any questions or concerns, I'm just a phone call or e-mail away!

For All Performances:

1. Let's make sure the show starts **no later than 15 minutes** after the time we agreed upon.
2. **The deposit is non-refundable**, even if the event is canceled. If it gets postponed, I'll honor the alternate date if my schedule allows. A refund will only be given if I am unable to appear.
3. I'd love to help you advertise the event! Please ask me for photos, bios, press releases, etc.
4. Any photos or videos taken of the show must remain private; please don't share without my permission.
5. If photos/video of the show are taken, could I please have a copy? It'd be most appreciated.

For All Stand-Up Shows:

1. The performance area should be a flat, level and empty; at least 8' x 8' with 8' height clearance (I'm tall).
2. The show looks best with my back to a wall (please avoid windows, mirrors or audience behind me).
3. Audience seating should start about 6' from me (no dance floors between us, please).
4. I should be well illuminated; lighting above audience set to at least 50% (if no operator is present).
5. If outdoors, please make sure the performance area is protected from sun, rain, etc.

For All Stage Performances:

1. A raised platform is best for groups of more than 100 (please include stair access into the audience).
2. Please make sure a standard (15 amp) electrical outlet or extension cord is within 20 feet of the stage.
3. A close parking spot, ramp use and elevator access will make everything go much smoother!
4. It could take me up to an hour to setup, and as much as 30 minutes for clean-up; please let me know if the space will be used for anything immediately before or after my show.

If any of the above can't be easily met, please let me know, and we can work out a plan together. Thanks!
