

Introduction for Magician Peter Wood:

Ladies and gentlemen, the performer you're about to meet received a magic kit for his fifth birthday, and he was hooked. He began entertaining professionally at the age of ten, first at local birthday parties, and soon performing his magic for corporations and organizations throughout the area.

Today, he is a full-time professional magician, whose clients include Frito-Lay, USA Today, Toys R Us, and Lockheed Martin. And while his magic has been experienced by thousands of people, he has assured me that today's performance will be his most ... recent.

Please join me in welcoming to the stage magician Peter Wood!
