

Introduction for Matt & Peter Wood:

Ladies and gentlemen, you're about to meet two brothers. The taller one became interested in magic at the age of five, and started his professional career at ten. He is very excited to be sharing his magic with you today.

The shorter brother could care less about being here, and is just along because his older brother forced him.

Together, the pair have performed for Frito-Lay, Toys R Us, and the Federal Bureau of Investigation. And while their magic has been experienced by thousands of people, they have assured me that today's performance will be their most ... recent.

Please join me in welcoming to the stage Matt and Peter Wood!
